*Registered expectant or nursing mother management number	

[About expectant and nursing mothers enrolled in the Japan Obstetric Compensation System]

In addition to promptly compensating for the economic burden that affects families with children who have severe cerebral palsy, this system seeks to avoid conflict and reach an early resolution, and strives to improve the quality of obstetric care by analyzing the cause and providing contributory knowledge to prevent recurrence of similar cases.

Section to be filled in by the expectant or nursing mother Please fill in the sections with the thick borders. This registration certificate uses carbon paper to make a copy. Therefore, please fill out with a ballpoint pen, pressing it down on the paper firmly.
